## Small Event Grants

The purpose of the *Small Event Grant* is to support program-related expenses for local and regional SDA member activities. Funds may be used for curated, group and juried exhibitions of SDA members' works and for SDA-sponsored lectures, workshops, and local or regional meetings. Support for exhibitions is predicated on participants being SDA members. Other events such as lectures, meetings and workshops do not have this requirement. Co-sponsored exhibitions are described below. The Grant is awarded in amounts up to \$500.

### Eligibility

Only SDA members may apply for a *Small Events Grant*. SDA Board members and staff may not apply while in office or employed by the organization. Unless the Grantee is an Area Representative, other Grantees, or those to whom grants have been awarded, may not re-apply for a grant in two consecutive calendar years.

To apply for a *Small Events Grant*, the SDA member must have an updated member profile, headshot and at least one image of his/her artwork on the SDA website.

### Stipulations

The *Small Event Grant* does not fund projects in process or completed, and does not reimburse money already spent on a project. Funds are not available in general for solo exhibitions and specifically, for refreshments and entertainment.

*Small Event Grant* funds must be returned if the event is canceled or a portion of the grant money is not spent. The remaining amount must be returned to Finance Manager, Surface Design Association, P.O. Box 20430, Albuquerque, NM 87154. (707-829-3110). Profits realized from any event organized by a SDA Area Representative may be deposited in a special SDA account for regional funds. Contact Finance Manger – [administration@surfacedesign.org](mailto:administration@surfacedesign.org) – to make arrangements.

### Additional Guidelines:

- All SDA members in the local area should be informed of the event.
- Exhibitions must be open to the public.
- Attendance at lectures or workshops may not require SDA membership.
- SDA membership materials should be prominently displayed and available to the viewing public. All promotional materials must state Surface Design Association Sponsored Event.

### Guidelines Specific to Exhibitions

- Coordinating an exhibition with another organization is permitted; however, at least one of the exhibition planners must be an SDA member. Participants must be members of one of the two sponsoring organizations.
- Promotional materials must state the Exhibition Title, followed by Surface Design Association Exhibition or An Exhibition of the Area (i.e. state, regional or international zone) Surface Design Association.

- Copies of printed materials should be sent to the Awards Administrator.
